

EZEE MAINTENANCE OIL

- Refresher coat for hardwaxed/oiled floors
- Easy to apply
- Direct application, no need for thinning

Product Information

DESCRIPTION:

EZee Maintenance Oil is a blend of quick drying natural oils and resins, formulated to renovate and refresh previously hardwaxed/oiled floor surfaces. Ideal for use on floors coated with Granwax Hardwax Oil. Direct application, does not require thinning and no primer is necessary. Maximum 2 coat application. Supplied in 1 litre containers for ease of use.

Please note that EZee Maintenance Oil produces a Satin/Matt finish.

PREPARATION:

Ensure good ventilation during use and after application. Always test product on small area prior to full application. Lightly abrade surface with a fine grade sandpaper. Thoroughly remove all traces of dust.

APPLICATION:

FIRST COAT: Shake the contents thoroughly before and during use. Apply product at room temperature. Apply THINLY using a Granleda Applicator and pad or Granleda Roller. Lay evenly, following the direction of the grain. Remove any surplus material immediately with a cloth, carefully checking all areas for any excess application. Leave to dry for approximately 3 hours in warm, dry and well ventilated conditions.

SECOND COAT (if required): Allow good ventilation at all times. Apply second coat as soon as first coat is dry. Shake contents thoroughly before and during use. Apply THINLY, as first coat. Leave to dry for approximately 3 hours in warm, dry and well ventilated conditions.

FLOOR MAINTENANCE:

For the general cleaning of hardwaxed/oiled floors EZee Hardwaxed Floor Maintainer is recommended. EZee Maintenance Oil is particularly recommended as a refresher coat for floors coated with Granwax Hardwax Oil. Please refer to the relevant product data sheets. Our procedure sheet 'Maintenance of Granwax Hardwax Oil' gives full information on periodical maintenance and repair by the buffing procedure.

COVERAGE: Approximately 20—24m² per litre

STORAGE: Keep container tightly closed and store in a cool, dry, well ventilated place. Protect from frost. Keep out of the reach of children.

HEALTH AND SAFETY: For full health and safety information, please refer to the product Material Safety Data Sheet.

the information provided herein is correct to the best of our knowledge. No liability for any errors or omissions is accepted. You should satisfy yourself by appropriate trials that the product is suitable for the intended use. Granwax Products Ltd can accept no responsibility for any loss as a result of any person placing reliance on any material contained herein.
