

EZEE SAFETY FLOOR CLEANER

● Ideal for all types of safety flooring

Product Information

DESCRIPTION:

EZee Safety Floor Cleaner is an extremely versatile cleaner, which can be used to clean all types of heavy duty floor surfaces, in particular safety flooring, including Altro floors.

The degreasing properties of EZee Safety Floor Cleaner means that it is ideal for floors in kitchens and restaurants, schools, commercial properties, etc.

INSTRUCTIONS:

Dilute with up to 40 parts hot or cold water, depending on the severity of the soiling or grease present. For machine cleaning, apply to surface and allow contact time of approximately 10—15 minutes prior to scrubbing. Ideally, machine should be fitted with scrubbing brush or blue floor maintenance pads. Extract result slurry with wet vacuum machine. Rinse with clean water and again extract with wet vacuum. Allow to dry.

RECOMMENDED DILUTIONS:

Light floor cleaning:	1 part to 40 parts water
Average floor soilage:	1 part to 20 parts water
Very dirty or greasy floors:	Use slightly diluted or neat

STORAGE:

Store in a cool, dry place. Protect from frost. Keep out of the reach of children.

HEALTH AND SAFETY:

For full health and safety information, please refer to the product Material Safety Data Sheet.

The information provided herein is correct to the best of our knowledge. No liability for any errors or omissions is accepted. You should satisfy yourself by appropriate trials that the product is suitable for the intended use. Granwax Products Ltd can accept no responsibility for any loss as a result of any person placing reliance on any material contained herein.
